Vision

We envision to be an institute which cultivates employability in the less privileged youth by imparting higher education. We are driven to provide them the joy of being accepted; over-passing economical barrier and prejudices!

Aiming

Mission

Vedanta Foundation is on a journey to reach as many students and empower their calibre. All, by removing financial barriers and making education, modern amenities, required infrastructure and a conducive environment accessible to the students. We are motivated to assist students for they can grow, thrive and excel.

High

Higher education is an asset every individual anticipate in light of the fact that it's an achievement, yet in addition the opportunity it brings. Being qualified, opens up the doorway to the new possibilities. There is no denying that attaining it comes with a high cost. But it is not a luxury or a property of privileged. Therefore, we at Vedanta College are making higher education accessible for the students with financial constraint., as monetary barriers should not check a prosperous tomorrow. And No, there is no compromising in the quality or standard!

Post acquiring needed qualifications these students can become employable and support their families, moreover become responsible citizens .

After the successful 24 years of empowering the students in Rajasthan and Maharashtra, we have come to enthuse our motives in Kolkata.

Your success is our Glory

Dr. Madhubrata Choudhury MSc , PhD
Director

Former :

Head of the Department
Department of Biological Science
Presidency University, Kolkata

Vedanta College was established to support the ambitions of the students from less privileged communities or students with weak financial conditions. Every student aspires to live a prosperous life. Big dreams! Big Plans! Monetary matters should not act a hindrance. Vedanta College invigorates the passion of these students. This is our ideology!

Quality Education is our priority. College faculty are qualified in their respective fields and take pride in being a part with our student's achievements. They make fine educators, they are friendly, helpful; furthermore ensure that the students benefit from their inputs. Apart from the faculty body, we invite guest lecturers. They are the eminent and successful professionals who deliver through their rich industrial experiences. We will also be incorporating long distance celebrity lectures in the courses.

Series of cultural and sports activities scheduled in the college will inculcate leadership qualities in the students. We are dedicated to provide a positive learning environment to meet the educational needs. We invite the students to join us and achieve their goals through academic preparation, career services and upgrading life and job skills.

Vedanta College has always believed in the high spirits of the students, every individual is a diamond in the rough, we just add our bit to polish it and take pride in all the shine it generates.
